

MassArt Alumni Registration Form

By signing up for access to Career Services you will receive: information about current full-time, part-time, freelance, and seasonal jobs in art and design, career and employment workshops and seminars, resource books and magazines, grant information and assistance, and career and employment counseling (subject to time and availability). We send out an email every Thurs in the late afternoon/early evening. This email will inform you of only the new and updated listings that have been entered on the system over the past 7 business days. Please be sure to check the system to access all current listings.

Last name _____ First name _____ Student ID # _____

The purpose of the sites we use to list opportunities (collegecentral.com/massart and constantcontact.com) is to communicate information about the Massachusetts College of Art and Design Career Services Office to interested parties. This information is provided as a service and should not be construed as a contractual obligation. The administrators of the site make all reasonable efforts to verify any information presented herein as reliable and accurate. The Massachusetts College of Art and Design Career Services Office makes no representations or guarantees about positions listed. Users agree that the information may be deemed reliable but not guaranteed and is intended to act as a resource. Students and alumni/ae agree that they will only apply for internships and jobs which are appropriate for their class year and status. Visitors to the site agree not to hold the site administrators or MassArt liable for any real or imagined damage resulting from use of the sites or information contained on the sites.
