Databases:

To connect to our databases off-campus simply go to the Library Webpage <http://www.massart.edu/library> and click on the desired database under either Database link. You will need to enter your MassArt email log-in and password. Once entered you can switch from database to database with out having to re-enter your log-in and password. Call 617-879-7150 if you have problems logging in.

For researching multicultural art and artists who deal with multiculturalism, art databases such as [Art Full-Text](#), [Art Index Retrospective](#), [Art Bibliographies Modern](#), [Avery Index to Architectural Periodicals](#), [Bibliography of the History of Art](#) and [Film and Television Literature Index](#), as well as the other databases described in the [Art Research Guide](#) available in the library.

Other useful databases include: [Expanded Academic ASAP](#) and [Academic OneFile](#) which indexes both scholarly and general periodicals on general sciences, humanities, law, psychology and sociology for college-level research. [Biography Resource Center](#) has information on over 900,000 people and includes entries ranging from full-text articles to brief biographical abstracts. [General Reference Center Gold](#) [Magazine Index] is the equivalent to *Reader's Guide to Periodical Literature*, and covers popular magazines, news magazines and newspapers. [Professional Collection](#) provides full-text education journal articles geared to teachers and school administrators. [General BusinessFile ASAP](#) indexes general and scholarly sources that cover all business and management topics and includes company profiles. [Business Index ASAP](#) contains full-text articles on management issues, business practices and theories. For information on the other databases available, see the database descriptions page on the library website as well or access the individual database description through a link on the front page of every database.
